

## Notice of Final Determinations on Assigning and Discontinuing Official Antarctic Geographic Names

Pursuant to sections 10(1), 25, and 21(2) of the New Zealand Geographic Board (Ngā Pou Taunaha o Aotearoa) Act 2008, the New Zealand Geographic Board Ngā Pou Taunaha o Aotearoa ("Board") gives notice of 76 Antarctic geographic feature names assigned as official and one discontinued name as described in the schedules below.

The Board's final determination on these Antarctic geographic feature names took effect on **19 December 2019**.

### Schedule 1 - Assigned Names (76)

| <i>Official Assigned Antarctic Geographic Name</i> | <i>Geographic Feature Type</i> | <i>Coordinates (latitude, longitude)</i> |             |
|----------------------------------------------------|--------------------------------|------------------------------------------|-------------|
| Amundsen Icefall                                   | Icefall                        | -85.4667                                 | -166.7      |
| Bartlett Glacier                                   | Glacier                        | -86.42453                                | -154.46896  |
| Bartlett Inlet                                     | Inlet                          | -77.23067                                | -156.9357   |
| Blackend Nunatak                                   | Nunatak                        | -79.88556                                | 155.0218    |
| Blades Glacier                                     | Glacier                        | -77.65559                                | -153.23143  |
| Brack Pond                                         | Pond                           | -78.015526                               | 165.544884  |
| Butler Glacier                                     | Glacier                        | -77.42291                                | -154.13209  |
| Byrd Névé                                          | Névé                           | -81                                      | 154         |
| Castenholz Pond                                    | Pond                           | -78.012781                               | 165.5518    |
| Clark Peak                                         | Peak                           | -77.52527                                | -154.18347  |
| Conophyton Pond                                    | Pond                           | -78.014291                               | 165.544666  |
