

Amending a Notice Amendment Number Three—Reflectorised Material Approved for Use on Traffic Signs

Pursuant to subclause 4.4(7) of the Land Transport Rule: Traffic Control Devices 2004 and to a delegation from the NZ Transport Agency, I, Glenn Bunting, Manager Network Safety, amend the notice titled Amending a Notice Amendment Number Two—Reflectorised Material Approved for Use on Traffic Signs, published in the [New Zealand Gazette, 20 November 2019, Notice No. 2019-au5345](#), by deleting

“24/05/2020”

and substituting

“28/06/2020”

Signed at Wellington this 1st day of May 2020.

GLENN BUNTING, Manager Network Safety.

Explanation: The interim approval dates for the reflective materials listed in Schedule 2 of the Gazette Notice ([New Zealand Gazette, 5 October 2017, Issue No. 102, Notice No. 2017-au5196](#)) had been extended and would expire on 24 May 2020 ([New Zealand Gazette, 20 November 2019, Notice No. 2019-au5345](#)).

Due to COVID-19 the testing of sheeting materials has been delayed meaning the original May 2020 date needs to be extended to **28 June 2020** to enable testing to be completed.

On **29 June 2020** a new notice detailing the approved reflective materials will be published at which time the Gazette Notice ([New Zealand Gazette, 5 October 2017, Issue No. 102, Notice No. 2017-au5196](#)) will be revoked to be replaced by the new notice.
