

New Zealand Emissions Trading Scheme 2019 Final Allocations for Eligible Activities

In accordance with section 86B(5) of the Climate Change Response Act 2002 (CCRA), the Environmental Protection Authority has made final decisions allocating the following New Zealand Units (NZUs) to the eligible industry persons as listed.

These NZUs have been allocated to protect their competitiveness against producers that do not face equivalent costs for emissions.

All industry persons listed were eligible to receive an allocation of NZUs under the CCRA for the period of 1 January 2019 to 31 December 2019.

The final unit allocation reflects the total units given to an entity based on their actual production for 2019.

The NZUs allocated under these decisions have been transferred to the respective New Zealand Emissions Unit Register (NZEUR) holding accounts.
