

## **COVID-19 Public Health Response (Air Border) Order 2021—Information Necessary to Support Public Health Response to COVID-19 and Traveller Declaration Information - Alternate System and Alternate Traveller Pass**

1. Pursuant to clause 59 of the COVID-19 Public Health Response (Air Border) Order 2021 (“Order”), I, Dr Ashley Bloomfield, Director-General of Health, make this Notice.

2. Words and expressions in this Notice have the meanings given to them in the Order.

### **Specification of Approved System as Alternate System for Traveller Declarations and Collection of Information**

3. For the purposes of clauses 23(3A) and 23(3B) of the Order, submission of the COVID-19 Aircrew Traveller Declaration Form issued by the Ministry of Health is an approved system.

4. New Zealand-based aircrew members and overseas-based aircrew members may make a traveller declaration through the COVID-19 Aircrew Traveller Declaration Form instead of the NZTD system.

### **Information Necessary to Support the Public Health Response to COVID-19 and Traveller Declaration—Information Shared Through COVID-19 Aircrew Traveller Declaration Form**

5. Pursuant to clauses 23 and 24 of the Order, I hereby designate the following information to be required from New Zealand-based aircrew members and overseas-based aircrew members that make a traveller declaration through the COVID-19 Aircrew Traveller Declaration Form:

1. arrival details;
2. aircrew member details, including full name and contact information in New Zealand;
3. name of airline;
4. overseas port where the person boarded the aircraft on which they arrived in New Zealand;
5. date of arrival in New Zealand;
6. full contact address or residential address;
7. contact phone number in New Zealand;
8. contact email address in New Zealand;
9. confirmation whether the person is ordinarily resident in New Zealand;
10. details of the countries that the aircrew member has entered in the specified 14-day period;
11. confirmation whether the person has complied with the key safety standards or an approved route safety plan (where applicable);
12. confirmation of vaccination against COVID-19 (where applicable) and the type of vaccine received;
13. date of most recent COVID-19 test and the result of that test;
14. confirmation that the person is not subject to a public health direction in any other country and that they intend to comply with the relevant public health measures that apply to them while in New Zealand.

### **Specification of Alternate Traveller Pass**

6. Pursuant to clauses 12(2A) and 12(2B) of the Order, I hereby designate an alternate traveller pass to be a completed COVID-19 Aircrew Traveller Declaration Form signed by the declarant.

### **Commencement and Revocation**

7. This Notice will come into force at 11.59pm on 30 April 2022.

8. The notice of the Director-General dated 24 March 2022 and titled “COVID-19 Public Health Response (Air Border) Order 2021—Information Necessary to Support Public Health Response to COVID-19 and Traveller Health Declaration Information” ([New Zealand Gazette, 24 March 2022, Notice No. 2022-go1080](#)) is revoked.

Dated at Wellington this 29th day of April 2022.

DR ASHLEY BLOOMFIELD, Director-General of Health.
