

Extension of Reporting Timeframes for Persons in Charge of Animals Under the National Animal Identification and Tracing Act 2012 in the Tairāwhiti Civil Defence Emergency Management Group Area

Pursuant to section 34(2)(a) of the National Animal Identification and Tracing (NAIT) Act 2012, I Stephen Stuart, acting under delegated authority as Chief Executive of National Animal Identification and Tracing Limited, which is the designated NAIT organisation, give notice of alternative time limits to those prescribed by regulations made under the NAIT Act 2012 for the provision of information by any person in charge of animals (PICA).

The alternative time limits apply only to those PICAs with NAIT animals located within the Tairāwhiti Civil Defence Emergency Management Group Area that are subject to declarations of a local state of emergency due to severe weather and flooding.

The alternative time limits are:

- a person registering as a PICA under section 27(1) of the NAIT Act 2012 must do so within seven days of the cessation of the state of local emergency.
- a PICA making an animal movement declaration under section 31(1) of the NAIT Act 2012 must make it within seven days of the cessation of the state of local emergency.
- a PICA tagging an animal in accordance with Regulation 20 of the NAIT (Obligations and Exemptions) Regulations 2012 must do so within seven days of the cessation of the state of local emergency.
- a PICA making an animal exit declaration under section 32(1) of the NAIT Act 2012 must make it within 21 days of the cessation of the state of local emergency.

Dated at Wellington this 23rd day of March 2022.

STEPHEN STUART, Chief Executive, National Animal Identification and Tracing (NAIT) Limited.
