Pursuant to section 94D of the Civil Defence Emergency Management Act 2002, I, Rehette Stoltz, further extend the local transition period given at 12.00pm on 25 June 2023, which I previously extended at 8.45am on 31 January 2025 and which came into force at 12.00pm on 1 February 2025, over the Tairāwhiti Region owing to the cumulative impacts of Cyclone Gabrielle and the June 2023 severe weather event.

This extension of the transition period:

- a. comes into force immediately before 12.00pm on 1 March 2025, which is the time and date when this current local transition period expires;
- b. is in force for 28 days; and
- c. ends at 12.00pm on 29 March 2025 unless extended or terminated earlier.

This is the 22nd extension of the local transition period.
